

PARTNERSHIP FOR  
PENNS VALLEY LIBRARY SERVICES

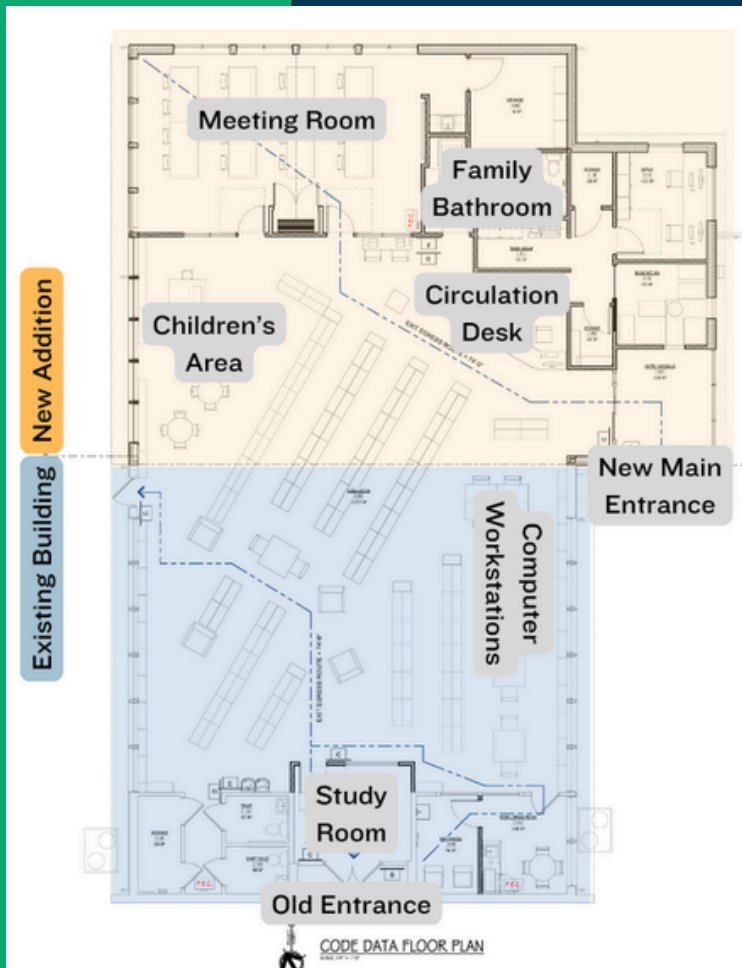

# NEWSLETTER

February is National Library Lover's Month. This year you can love your library by attending programming, joining the PPVLS board, or donating to the Centre Hall Area Branch Expansion. To learn more about the expansion and show love for your library you can attend the Love Your Library Celebration at the Centre Hall Branch 2/22 2:00-4:00pm. The beloved Peep Diorama contest also begins March 1<sup>st</sup> with voting the first week of April. For flyers please see pages 4-8.

# BUILDING FOR THE FUTURE

The Partnership for Penns Valley Library Services was established in April 1993. Fast forward almost 30 years, the library has become such a vital part of the Penns Valley community that it has outgrown its space. PPVLS is planning an expansion campaign to add more shelving, a meeting room, and a larger tech space. Help us meet our \$2 million goal!

## HOW CAN YOU GIVE?

You can support the campaign by giving multiple levels of gifts from general donations, naming opportunities, or staggered donations over a multi year period. Contact us at [ppvls@outlook.com](mailto:ppvls@outlook.com) for more information or visit our website at the QR ([ppvls.org](http://ppvls.org)).

# WE NEED YOU!

We are looking for people with a passion for libraries to join the Partnership for Penns Valley Library Services Board. This board began in 1993 after seeing a need for a public library in Penns Valley. The original group funded the building of the current Centre Hall Area Branch Library. Today we continue that founding mission by working towards expansion and being a Friends Group of the Centre County Library and Historical Museum.

## WHAT DO WE DO?

- Meet once a month.
- Host fundraising events.
- Apply or assist in applications for grants.
- Promote library events.
- Issue funding to the Centre Hall Area Branch from PPVLS.
